Next Cycle Warranty & Care Program

With Next Cycle's comprehensive 5-year warranty, you can install with confidence, knowing you are backed by our commitment to quality and long-term support. The Next Cycle 5-year warranty, on selected products used for commercial applications, provides a 1-year manufacturer warranty, with an extended 2 + 2-year warranty with Maxa Australia.

To access the full benefits of our industry-leading warranty, the following conditions must be met:

- Correct Installation: Your system must be installed in compliance with Maxa installation manuals and manufacturer guidelines.
- Authorised System Start-Up: A certified Maxa Authorised Service Center must commission the system.
- Product Registration: All system details must be registered, and required services logged via the Maxa Installer Portal.
