Why Choose Next Cycle?

At Next Cycle, we are dedicated to providing you with the market's leading technology in sustainable heating, cooling, hot water, and chilled water solutions.

Europe is the world's largest heat pump region, and our manufacturing partners are four of Europe's leading innovators. Their products are tested to the highest standards, and through our exclusive partnership with Maxa, Imas Group, Barberi, and Aquatechnik, we are excited to offer you the most comprehensive range of heating, cooling, hot water, and chilled water solutions available in Australia.

Next Cycle is committed to delivering the highest levels of one-stop services including; pre-sales assistance, engineering support, extensive stock availability, face-to-face consultation, and after-sales support. Our promise is to give you the support to maximise the performance and longevity of your system.

Model Class		MSL 12	MSL 17	MSL 25	BSL 12
Nominal Cooling Capacity	kW	1.2	1.7	2.5	1.2
Nominal Heating Capacity	kW	1.7	2.5	3.3	1.5
Air Flow (Min/Max)	m3/h	155/315	240/450	310/540	120/225
Sound Pressure Level	dB(A)	23	23	25	19
Power Supply		230V/1/50Hz			
Unit Dimensions (H x W x D)	mm	383 x 873 x 122	383 x 1065 x 122	383 x 1257 x 122	1100 x 565 x 122

Model Class		VSL 09	VSL 18	VSL 27	VSL 34
Nominal Cooling Capacity	kW	0.9	1.8	2.7	3.4
Nominal Heating Capacity	kW	1.1	2.4	3.2	4.2
Air Flow (Min/Max)	m3/h	80/180	155/315	240/450	310/540
Sound Pressure Level	dB(A)	21	22	24	22
Power Supply		230V/1/50Hz			
Unit Dimensions (H x W x D)	mm	553 x 681 x 122	553 x 873 x 122	553 x 1065 x 122	553 x 1257 x 122

Note:
(1) Cooling capacity: Air temperature: 27°C d.b./ 19°C w.b. Max speed. In/out water temperature: 7°C / 12°C.
(2) Heating capacity: Air temperature: 20°C d.b. Max speed. In/out water temperature: 45°C / 40°C.

Next Cycle Warranty & Care Program

With Next Cycle's comprehensive 5-year warranty, you can install with confidence, knowing you are backed by our commitment to quality and long-term support. The Next Cycle 5-year warranty, on selected products used for commercial applications, provides a 1-year manufacturer warranty, with an extended 2 + 2-year warranty with Maxa Australia.

To access the full benefits of our industry-leading warranty, the following conditions must be met:

- Correct Installation: Your system must be installed in compliance with Maxa installation manuals and manufacturer guidelines.
- Authorised System Start-Up: A certified Maxa Authorised Service Center must commission the system.
- Product Registration: All system details must be registered, and required services logged via the Maxa Installer Portal.
