nextcycle
SUSTAINABLE HEATING, COOLING AND HOT WATER SOLUTIONS

5* YEARS WARRANTY

Wide Airflow Range to Suit All Buildings' Needs

MAXA HEATING & COOLING

HCNA Mid-Static Ducted
Hydronic Fan Coil Unit

DC / AC Option — DC or AC fan motor option to suit different projects needs.

Made in Italy — Italian craftsmanship, engineering, and stylish design.

Consistent Heating — Consistent heating output, creating greater comfort and warmth.

Gentle Cooling — Gentle cooling, better hydration, delivering higher levels of comfort.

Adjustable Airflow — Adjustable airflow ranging from 417l/s to 3333l/s.

Flexible Installation — Flexible installation with multiple supply and return air configurations.

*See Warranty & Care Program for details.

Why Choose Next Cycle?

At Next Cycle, we are dedicated to providing you with the market's leading technology in sustainable heating, cooling, hot water, and chilled water solutions.

Europe is the world's largest heat pump region, and our manufacturing partners are four of Europe's leading innovators. Their products are tested to the highest standards, and through our exclusive partnership with Maxa, Imas Group, Barberi, and Aquatechnik, we are excited to offer you the most comprehensive range of heating, cooling, hot water, and chilled water solutions available in Australia.

Next Cycle is committed to delivering the highest levels of one-stop services including; pre-sales assistance, engineering support, extensive stock availability, face-to-face consultation, and after-sales support. Our promise is to give you the support to maximise the performance and longevity of your system.

Note:
(1) Cooling capacity: Air temperature: 27°C d.b./ 19°C w.b. Max speed. In/out water temperature: 7°C / 12°C.
(2) Heating capacity: Air temperature: 20°C d.b. Max speed. In/out water temperature: 45°C / 40°C.

Next Cycle Warranty & Care Program

With Next Cycle's comprehensive 5-year warranty, you can install with confidence, knowing you are backed by our commitment to quality and long-term support. The Next Cycle 5-year warranty, on selected products used for commercial applications, provides a 1-year manufacturer warranty, with an extended 2 + 2-year warranty with Maxa Australia.

To access the full benefits of our industry-leading warranty, the following conditions must be met:

- Correct Installation: Your system must be installed in compliance with Maxa installation manuals and manufacturer guidelines.
- Authorised System Start-Up: A certified Maxa Authorised Service Center must commission the system.
- Product Registration: All system details must be registered, and required services logged via the Maxa Installer Portal.
